

XXXVIth URSI General Assembly and Scientific Symposium
Kraków, Poland - August 15-22, 2026

Sponsorship and Exhibition Prospectus

www.ursi-gass2026.pl

Message from the URSI GASS 2026 Chair

On behalf of the Organizing Committees of the **XXXVIth General Assembly and Scientific Symposium of the International Union of Radio Science (URSI GASS 2026)**, I cordially invite you to participate in this prestigious conference as a financial sponsor or exhibitor.

URSI GASS, organized by the International Union of Radio Science, is a premier international conference that convenes every three years to showcase the latest research, developments, and discoveries in all areas of radio science. It also facilitates the planning of future collaborations and projects requiring international cooperation.

The upcoming URSI GASS 2026 is scheduled to take place in **Kraków, Poland**, from **August 15-22, 2026**. This event is expected to draw more than **1500** researchers and professionals worldwide, providing an excellent opportunity for networking and scientific exchange.

Your sponsorship is invaluable in advancing the objectives of this impactful event, and we are excited to partner with you in this aim. **As a sponsor, you will gain unparalleled visibility and the opportunity to engage directly with a distinguished audience of leading researchers and practitioners in the field. This is a unique platform to showcase your brand, foster meaningful connections, and demonstrate your commitment to innovation and excellence.** Should you have any questions or ideas regarding sponsorship opportunities, please feel free to reach out to us. We are eager to collaborate and ensure your experience is both rewarding and memorable.

We look forward to seeing you at URSI GASS 2026!

**Shaping the Future of Radio Science
for a Sustainable, Connected World**

Professor Józef Modelski
General Chair, URSI GASS 2026

Facts and Benefits

Why Exhibit at the Conference?

- ❖ Participating as an exhibitor at this conference offers a unique opportunity to connect with a highly specialized and engaged audience of researchers, engineers, industry professionals, and decision-makers from around the world.
- ❖ We expect over 1,500 attendees from a diverse range of sectors, including academia, government institutions, regulatory bodies, non-governmental organizations, and industry.
- ❖ As an exhibitor, you will have the chance to:
 - Showcase your organization's products, technologies, and services to a targeted group of delegates focused on cutting-edge developments in electromagnetics and related fields.
 - Strengthen your brand visibility and awareness among current and potential future clients within a niche, international scientific community.
 - Network directly with academic leaders, research institutions, and potential collaborators or clients, fostering new relationships and opportunities.
 - Gain valuable insights into emerging trends and challenges in areas such as electromagnetic metrology, wave propagation, radiocommunication systems, electronics, photonics, and more.
 - Explore business development opportunities and expand your market presence in both research and commercial sectors.
 - Engaging with participants at this event can open doors to new partnerships, collaborations, and commercial prospects.

Don't miss the opportunity to be part of this dynamic and forward-looking conference.

Conference Topics

This event provides a valuable platform for the presentation and discussion of the latest advancements, research findings, and emerging trends across a broad spectrum of topics, including:

- Electromagnetic Metrology
- Fields and Waves
- Radiocommunication and Signal Processing Systems
- Electronics and Photonics
- Electromagnetic Environment and Interference
- Wave Propagation and Remote Sensing
- Ionospheric Radio and Propagation
- Waves in Plasmas
- Radio Astronomy
- Electromagnetics in Biology and Medicine

Conference Venue

The ICE Kraków Congress Centre is the city's business and cultural flagship.

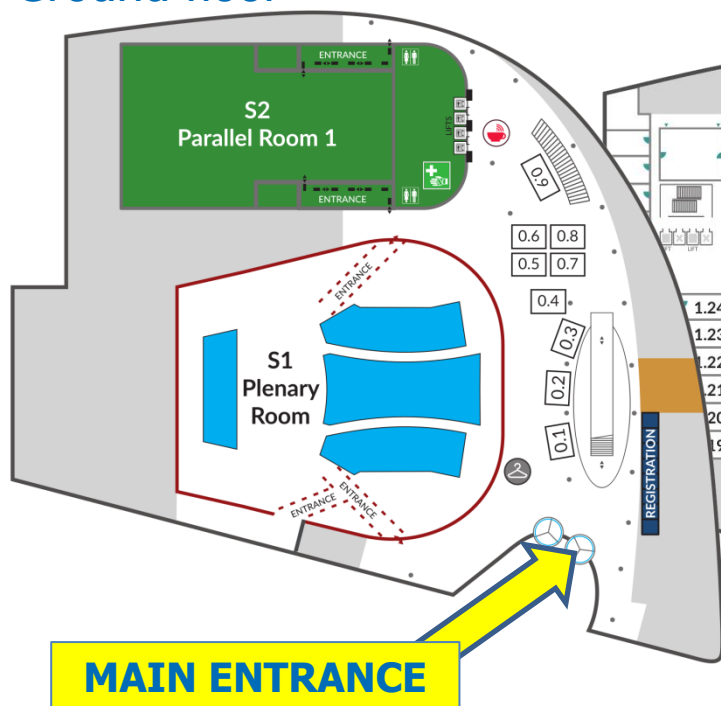

Located in the heart of Krakow, it is a perfect venue for organizing events ranging from international congresses, conferences, symposia, and business meetings to cultural events such as concerts, opera, theatre, ballet performances and social events. ICE Kraków is known for its four-level glazed foyer with a stunning panorama of the city and the majestic Wawel Royal Castle. The infrastructure of the ICE Kraków Congress Centre allows visitors to enjoy their time in Małopolska's capital city to the full: a prestigious conference venue, hotel facilities, and a highly diverse offer of cultural events, local cuisine, services, and commerce.

Floor plans

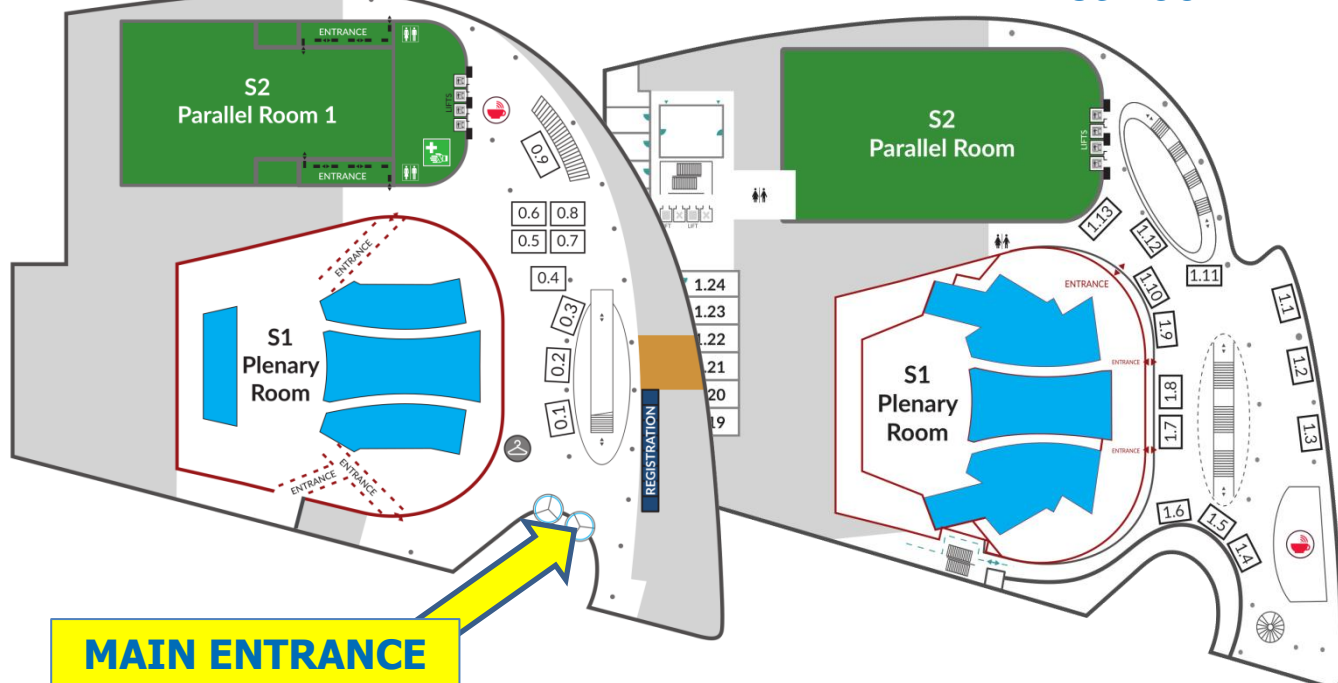

ICE Krakow Congress Centre offers beautiful spaces for exhibitors. Exhibitions can be arranged on the ground, first, or second floors in close proximity to communication corridors, entrances to lecture halls, and the catering area.

The floor plans highlight potential exhibition locations .

Exhibition booth locations and layouts will be confirmed progressively, based on the sponsorship levels secured. Priority for booth selection is granted to Platinum sponsors, followed by Gold, Silver, and Bronze sponsors, in that order. This tiered approach ensures that each sponsor receives optimal visibility and positioning in line with their level of support. Details regarding specific booth assignments will be communicated as they are finalized, allowing sponsors to plan their participation accordingly.

EXHIBITION REGULATIONS

§1. Expressions and abbreviations

1. Term „Exhibitor”, used in the following policy, means all representatives of the company, its cooperating companies and all persons involved in preparation of the exhibit for the entity, for which the exhibition space was assigned.
2. Term „Exhibition”, used in the following policy, means an exhibition taking place during URSI2026.
3. Term „Organizer”, used in the following policy, means Congress’ Secretariat Symposium Cracoviense Sp. z o.o.
4. Congress venue: ICE Kraków Congress Centre 17, Konopnickiej street, 30-302 Kraków.
5. Exhibition Opening Hours
 - 17 August 2026: 12:00 p.m. – 5:00 p.m.
 - 18–20 August 2026: 8:30 a.m. – 5:00 p.m.

§2. Allocation of exhibition space

1. Organizer assigns the exhibition space according to the order of applications, with the exception of Partners who have the right to choose the place of their exhibit. Organizer will try to take into account wishes of Exhibitor regarding location of the stand

§3. Applications and payments

1. Application for Exhibition ensues through fulfillment and submission, electronically, of the Exhibitor application form to Organizer and payment of not less than 50% of total amount due.
2. Payments must be made only through money transfer to Congress’ account.
3. In case number of applications is greater than prepared exhibition spaces, allocation of spaces takes place according to the order of applications.
4. Remaining amount due, including costs of company’s representatives, must be paid not later than June 30th, 2026 with a money transfer to Congress’ account.

Conditions & Regulations

§4. Resignation

1. Exhibitor has a right to resign from participating in Exhibition only in the event of circumstances which warrant such a resignation.
2. Intention of resignation must be delivered by Exhibitor in writing to Organizer. Date of resignation is a date of delivery of the aforementioned writing to Organizer.
3. In case of resignation before April 30th, 2026, Exhibitor is reimbursed with a total amount paid. After May 1st, 2026 and before May 31st, 2026, Exhibitor is obliged to pay 50% of amount for ordered area. If Exhibitor has earlier paid more than 50% of the due amount, the difference between paid amount and 50% of amount for ordered area is reimbursed to an account indicated by Exhibitor.
4. In case of resignation after May 31st, 2026 there is no reimbursement.

§5. Set-up and dismantling of stands

1. Set-up time: 16 Aug 2026 8 p.m – 9 p.m., 17 Aug 2026: 7:00 a.m. – 8:00 p.m.
2. Entry to the venue will be ensured by the ID badges provided by "the Organizer".
3. Dismantling time: tbc . In case of delay in dismantling, the Organizer is entitled to impose a penalty for each hour of delay in the amount of EUR 1000 net.
4. Exhibitor is financially responsible for any damages caused in Exhibition area during build-up and dismantling of stands.
5. Exhibitor pays the price of transportation and storage of materials and their removal from the stand according to dismantling timetable.

§6. Using the exhibition space

1. Exhibitor is obligated to ensure a competent staff at an allocated stand during Exhibition opening hours.
2. Opening hours: TBC
3. Exhibition activity of Exhibitor cannot exceed allocated exhibition space.

§7. Sale prohibition

1. Exhibitor cannot conduct any selling activity, particularly with use of cash, on allocated exhibition space.

§8. Liabilities

1. Organizer is not responsible for any damages in Exhibitor's assets, including but not limited to loss or destruction of those assets, arising during Exhibition, as well as build-up and dismantling of stands.
2. Organizer is not responsible for any damages to representatives and visitors of Exhibitor's stand.
3. Any claims from persons, who suffered any damages during visiting the stand, will be directed to Exhibitor.
